

What is a Family Compact?

A *Family Compact* is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach or exceed grade level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate about student progress

Jointly Developed

The families, students, and staff at Leon Elementary School developed this Title I Family Compact. The Compact is discussed in Leadership Meetings, Profession Learning Communities (PLC) meetings, Local School Improvement Council (LSIC) meetings, and presented to PTO.

Shared Responsibilities

Staff, students, and families must work together to ensure all students succeed. Some of the shared responsibilities include...

School

- Provide high-quality education guided by the state standards
- Communicate with families regularly about academic progress and behavior
- Provide volunteer opportunities through during & after school events as well as family groups

Students

- Complete & return homework
- Read every day
- Give school information to families
- Practice fluency with facts regularly
- Be responsible for papers & class work
- Model good behavior & citizenship
- Keep a positive attitude
- Try your best

Families

- Monitor attendance
- Support learning at home on a daily basis
- Communicate with the school about changes in home life, absences, homework, and any other issues/concerns
- Participate in school opportunities, such as family nights, in-class crafts, and extra-curricular activities
- Join family groups, such as PTO, LSIC, & Title I Advisory Group
- Check your child's academic progress through LiveGrades (if a computer is accessible)

At Home

Leon Elementary School families joined staff to develop ideas about how families can support students' success in reading and math.

Some of our key at-home activities will be:

- Try to attend family meetings and join our PTO.
- Share ideas for school improvement by attending LSIC meetings.
- Read with your child every week.
- Practice math fluency facts regularly.
- Reward your child with free time on our school webpage's educational links.
- Review grade level appropriate sight words with your student.
- Explore the curriculum intended for your student through the WVDE website
